BACKGROUND

The Bingara Community Op Shop is a S355 Committee overseen by Council.

COMMENT

Annual Report 2022

The Op Shop celebrated twelve months of business on the 22nd of February 2022. We are now into our second year with over forty volunteers, with strong support from the community in terms of donations and purchasing and a great reputation for being a hub for community members.

There are six volunteers in the Uniting Church Hall sorting team. The sorting room has undergone great changes and wonderful organisation. Racks and tubs have been purchased and so sorted donations can be easily seen by volunteers wishing to re supply the shop. Since April this year, no items are purchased from the sorting room. The shop is the one point of sale, and all items need to be presented in the shop. Volunteers do not buy items before the community has a chance to do so. The furniture is no longer sold from the verandah but brought to the shop for sale. This policy provides transparency and fairness.

We have been fortunate to have the services of a volunteer who will test and tag our electrical items. This has been a huge boost as we now have an electrical item section of the shop.

The shop has different teams working each day. The daily team leader discusses the days' tasks, and each team member collaborates to complete them. I think that the volunteers feel an ownership with the shop; each volunteers' ideas are valued, and their unique skills appreciated. Each six months we all come together to thoroughly sort, clean, reorganise and restock the shop for the next season. This is a huge task. The end of summer 'purge' saw fifteen volunteers on each of three days at the shop. This is something to be proud of.

Our tasks and activities venture further than just the sorting room and the shop.

We also:

1. Set up a pop-up shop in North Star. We are about to try this again and with the support of the Post Office worker, Amanda, will have a collection donation box there and also hold another pop-up shop.
2. A very successful fashion parade was held in the library. The clothes, models and organisation for that were excellent.
3. An anniversary celebration was held at the shop in February.
4. A Games Day was held to raise money for the flood victims, and we also sponsored The Big Heart Barbecue which was held to raise money too.
5. Well cleaned and ironed clothing were also taken to a halfway point and given to the Lions President of Bangalow for him to distribute to folks in need.
6. Our liaison with Tingha continues.
7. The recent Orange festival saw us enter a float, set up a fifties room as well as have soup for sale.
8. At Christmas a Magic Cave was set up for the children to wonder at as they looked at the decorations and lights.
9. The CWA celebrations were supported by a specialty's sale and staged room.
10. Repurposing has also been a focus. This is being continued this year with a craft group meeting weekly to create 'quirky' items for the Pulse Festival pop up shop.
11. We are now trading for extended hours on Saturdays and for four hours on Sundays on the third weekend of each month. Pre-Christmas we also traded at night on Fridays.
12. The shop was also part of the Lifestyle magazine photo shoot in Bingara. We are proud to have been part of this and we did not have to pay to be included. The shop was considered to be 'somewhat special'.
13. Policy meetings have been held. These are a work in progress as we await a confirmed liaison officer and 355 manual to work with. Some of our policies have been developed in a reactionary way. Others, such as shop procedures, have been developed through necessity.
14. Our newest project is in its initial phase. The Volunteers' Vegetable Venture. Willing volunteers are planting extra vegetables in their personal gardens, and we will be distributing these each Thursday as from September, provided are gardens do well, on a 'pay what you can' basis.
15. A new storage shed has been built in the yard, the hotel side fence realigned and re-fenced, an air conditioner put in and an awning ordered for the front of the shop.
16. We take pride in our front window displays as they reflect current town happenings.

The sales within the shop continue to be amazing. Our volunteers have a reputation for being friendly and extremely helpful. Word of mouth is sound marketing as are the Facebook posts each day motivating people to shop with us. We have also been advertising on the local radio.

We continue to donate to the community as per the financial report.

It is with pride that I present this report of The Bingara Community Op Shop.

IN BRIEF/SUMMARY RECOMMENDATION

Following an amendment to the Local Government Act 1993 in 2021, Council may make payments to a Councillor as a contribution to a superannuation account nominated by their councillors, starting from the financial year commencing on 1 July 2022. The making of superannuation contribution payments for councillors is optional and is at each council's discretion.

TABLED ITEMS Nil

BACKGROUND

Should Council resolve to make superannuation contribution payments for its councillors, the amount of the payment is to be the amount the council would have been required to contribute under the Commonwealth Superannuation Guarantee (Administration) Act 1992 as superannuation if the councillors were employees of the council. As of 1 July 2022, the superannuation guarantee rate will be 10.5%. The rate will increase by half a percent each year until 1 July 2025 when it reaches 12% with the superannuation contribution payment is to be paid at the same intervals as the annual fee is paid to councillors.

To receive a superannuation contribution payment, each Councillor must first nominate a superannuation account for the payment before the end of the month to which the payment relates. The superannuation account nominated by councillors must be an account for superannuation or retirement benefits from a scheme or fund to which the Commonwealth Superannuation Guarantee (Administration) Act applies.

Councils must not make a superannuation contribution payment for a Councillor if the Councillor fails to nominate an eligible superannuation account for the payment before the end of the month to which the payment relates.

Individual councillors may opt out of receiving superannuation contribution payments or opt to receive reduced payments. Councillors must do so in writing.

Councils must not make superannuation contribution payments for councillors during any period in which they are suspended from their civic office or their right to be paid any fee or other remuneration, or expense, is suspended under the Act.

Councillors are also not entitled to receive a superannuation contribution payment during any period in which they are not entitled to receive their fee under section 254A of the Act because they are absent.

COMMENT

The value of superannuation payments to Councillors have been included in the adopted budget for 2022-2023 Financial Year.

OFFICER RECOMMENDATION

THAT the Council make superannuation contribution payments for Councillors, in addition to the annual fees, with the amount of the payment to be the amount the Council would have been required to contribute under the Commonwealth Superannuation Guarantee (Administration) Act 1992 as superannuation if the Councillors were employees of the Council.

THAT the Council notes that individual Councillors may opt out of receiving superannuation contribution payments or opt to receive reduced payments.
