Staff: Max Eastcott (General Manager), Leeah Daley (Deputy General Manager), Helen Thomas (Manager, Finance), Alex Eddy (Manager, Engineering Services) and Ruby Mitchell (Information Services Records Trainee)

Public: Mrs Rachel Sherman and Mrs Kim Miller (*Gwydir News*)

Visitor: Tom and Jackie Smith (Warialda and District Chamber)

This is page number 1 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

DISCLAIMER

No responsibility whatsoever is implied or accepted by the Gwydir Shire Council for any act, omission or statement or intimation occurring during and Council or Committee meetings.

The Council disclaims any liability for any loss whatsoever and howsoever caused arising out of reliance by any person or legal entity on any such act, omission or statement or intimation occurring during Council or Committee meetings.

Any person or legal entity who acts or fails to act in reliance upon any statement, act or omission made in a Council or Committee meeting does so at that person's or legal entity's own risk.

In particular and without derogating in any way from the broad disclaimer above, in any discussion regarding any planning application or application for a licence, any statement or intimation of approval made by any member or officer of the Council during the course of any meeting is not intended to be and is not taken as notice of approval from the Council.

Gwydir Shire Council wishes to advise that any plans or documents contained within this agenda may be subject to copyright law provisions and that the express permission of the copyright owner(s) should be sought prior to their reproduction.

Members of the public should note that no action should be taken on any item discussed at a Council or Committee meeting prior to written advice on the resolution of council being received.

Agendas and minutes are available on the Council's website
<http://www.gwydirshire.com/>

DELIVERY PROGRAM

GOAL: 5. Organisational Management

OUTCOME: 5.1 CORPORATE MANAGEMENT

STRATEGY: 5.1.3 Administrative functions - GM - internal

AUTHOR General Manager

STAFF DISCLOSURE OF INTEREST Nil

IN BRIEF/ SUMMARY RECOMMENDATION

This report recommends the adoption of the draft meeting cycle for 2021 up to the date of the Council Elections.

BACKGROUND

The following arrangements exist in respect of the Council's meeting cycle:

The Ordinary Council meetings are scheduled for the last Thursday of each month, usually commencing at 9am, unless there is a conflict with other events.

The Standing Committee meetings are scheduled for the second Thursday of each month if required, and usually commence at 9am.

Manner of giving notice of Meetings:

The Business Papers and summons for the Ordinary Council and Committee Meetings are issued electronically no later than the close of business on the Friday prior to the meetings. Any Councillor may request a hard copy of the Business Paper.

It has been the practice to alternate the meeting venues monthly between Warialda and Bingara. The social distancing rules and Covid restrictions since March 2020 has meant meetings have been confined to the Roxy Meeting Room in Bingara.

The local government elections are scheduled for 4 September 2021. There will be a caretaker mode for 4 weeks prior to the elections. The recommended meeting dates to July 2021 are outlined in the attached document.

OFFICER RECOMMENDATION

THAT the meeting cycle outlined is adopted for advertising

Item 3 Monthly Executive Report for October 2020

FILE REFERENCE 20/27754

DELIVERY PROGRAM

GOAL: 5. Organisational Management

OUTCOME: 5.1 CORPORATE MANAGEMENT

STRATEGY: 5.1.3 Administrative functions - GM - internal

AUTHOR General Manager

STAFF DISCLOSURE OF INTEREST Nil

IN BRIEF/ SUMMARY RECOMMENDATION

The monthly Executive report details the activities carried out by the Planning and Environment, Building Services, Town Utilities and The Gwydir Learning Region departments during the month of October 2020. The report includes some September figures that were not available at the time of reporting for that month. This report is for information.

BACKGROUND

The monthly Executive report forms part of a regular reporting regime. The purpose of the report is to inform Council of the activities carried out within the listed Departments.

Some of the report includes September data as this information was not available at the time of the September report.

PLANNING AND ENVIRONMENT

Sustainability

The Department continues to receive enquiries and provide advice on a range of health matters including:

- Overgrown properties
- Food premises design and fit-out
- Food handling practices
- Mobile food vendors
- Licensing
- Water carting
- Pet Ownership

Water Surveillance

This is page number 11 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

The Department continues to carry out routine weekly microbiological sampling of the water supply in the towns of Warialda and Bingara, fortnightly sampling of Gravesend and monthly sampling at North Star.

Health Related Inspections

Compliance and Regulatory Control

Council received complaints regarding roaming stock and dogs, noise, the keeping of animals and other concerns during the month of October 2020. These are investigated and actioned as necessary.

This is page number 12 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

Grazing Permits

As the Consent Authority for road reserves, Council has not issued concurrence to the North West Local Land Services for any Roadside Grazing Permits during the month of October 2020. Favourable conditions since the beginning of the year have provided welcome relief in the district and the demand for roadside grazing has eased. The following graph compares the applications received for previous 6 months.

Riverside Camping

Council's Compliance Officer aims to carry out daily checks along the Gwydir River to ensure that camping is being conducted in a safe and hygienic manner. Flyers promoting local events and services are distributed to campers and enquires from campers are addressed as necessary. The graphs below

This is page number 13 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

show total numbers of campers and the distribution of campers at the different campsites.

This is page number 14 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

Waste Services – September 2020

Scheduled curbside collection of waste, recycling and green waste was carried out throughout the Shire. Customer service requests are processed and actioned as necessary.

Recycling Contamination

Gwydir Contaminated Recycling

Combined Contaminated Recycling

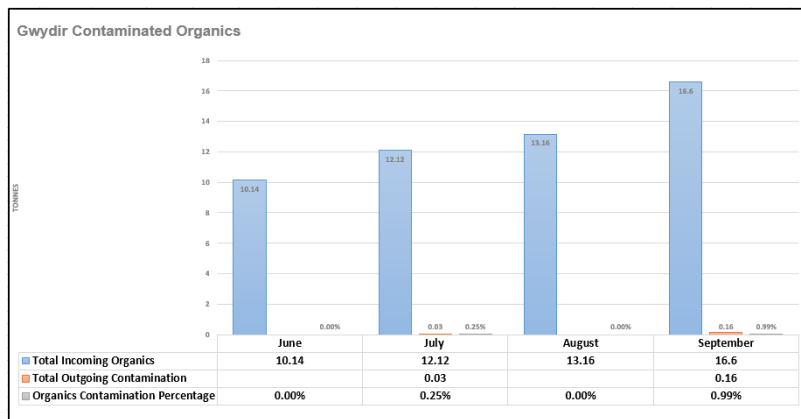

This is page number 15 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

Organics Contamination

Gwydir Contaminated Organics

Combined Contaminated Organics

Comment from Cleanaway for September 2020

Contamination percentages have remained steady this month, with the exception of Gwydir Shire seeing a spike in the recycling contamination levels.

This is page number 16 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

The main contaminates across all 3 shires remain the same being plastic bags, food scraps & clothing.

Cleanaway have introduced the new plastic bags stickers & ordered the final warning stickers. Cleanaway will continue to work to the contamination flow chart liaising with councils. Suggest a targeted advertising campaign on plastic bags, food scraps and clothing.

Priority Weed Control

Property Inspection Program

Staff continue to assist farmers and the community with:

- Funding advice
- Noxious weeds advice
- Property inspections
- Spraying of noxious weeds
- Property inspections are currently being undertaken in Section D.

Section 28 Noxious Weeds Certificates

There have been no certificates issued for October. The graph below shows the Section 28 Certificates issued for the current financial year.

Weeds Inspections

Property inspections are currently being undertaken in Section D, with property owners being offered support and advice on managing weeds during the current adverse conditions.

The following graphs and charts show the noxious weeds inspections carried out in 2020:

Noxious Weeds Inspections for the Month of October 2020

Building Maintenance

The Department continues to receive requests to carry out minor maintenance and these are generally dealt with in a timely manner. Otherwise the works are scheduled into maintenance staff building activities including new works for attention.

Projects Worked on during October 2020

Staff have been concentrating all their efforts and available man hours to complete the Bingara Pool project in readiness for the coming swimming season.

Bingara Pool Administration Building

This is page number 25 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

TOWN UTILITIES, PLANT, PARKS and GARDENS

Water and Sewerage

Water and Sewerage operators attended 11 service line repairs, 4 water main breaks, 5 faulty water meters and 5 sewer blockages during October. Work was undertaken Bingara swimming pool, The Living Classroom, Bingara Cemetery, Gwydir Oval, Bingara Showground, the footpath to pontoon, 47 Hope Street Warialda (youth centre), Gravesend Recreation Ground and the Roxy Theatre. Both Bingara Reservoirs and Gravesend Ground reservoir were professionally cleaned by divers during October and 475m of water main was installed from the Hospital to the Bridge in Bingara.

The annual DPIE Water/Sewerage performance reports were completed and submitted during October.

The licence anniversary date for both Warialda Sewerage Treatment Plant (STP) and Bingara STP was 31 October. The Annual Return and Annual Report for both STPs is due by 31 December 2020.

Warialda Memorial Pool - in conjunction with pool improvements by Meader Constructions, the sewerage and water lines were renewed during October.

Bingara pool - a small sewerage pump station was installed to service the new amenities building, along with new water lines and stormwater pipes.

Pontoon pathway on Gwydir River Foreshore

During October, staff installed a handrail alongside the footpath that leads from the Bingara Hospital to the Gwydir River. The bench seat will be installed on the landing in November. Two concrete slabs for the shelters and tables were laid during October; this work was funded from COVID 19 Stimulus funding.

Foreshore footpath handrail.

inclusive of GST. The work involves removal of external and internal cladding and replacement with colour bond externally and fibro sheeting internally of the grandstand.

GWYDIR LEARNING REGION

Automotive Trade Training Centre Training (ATTC) - October

Graph showing training delivered by ATTC during October

Heavy Vehicle Training and Assessment

Council’s Heavy Vehicle Trainers and Assessors have had a continual flow of clients participating in heavy vehicle training via the Automotive Trade Training Centre throughout October.

A total of six clients have undertaken heavy vehicle; four obtaining their HR (heavy rigid) and two obtaining their HC (heavy combination) licence.

Three participants were from Inverell, one from Glen Innes, and two were local Warialda residents.

All six participants obtained full funding through Training Services NSW Smart and Skilled Program.

Council’s assessors also completed six Final Competency Assessments for Inverell Heavy Vehicle Training (IHVT) clients. In accordance with Australian Skills Quality Authority (ASQA) and Transport for NSW regulations, where practical, final competency assessments are not carried out by the trainer.

This is page number 29 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

This arrangement has been in place for some time and is mutually convenient for both Council and IHVT.

Learner Driver Tuition

October has been a busy month for Learner Driver tuition following the renewal of the contract with ACE Community Colleges. As illustrated in the graph, there were 12 sessions provided for ACE Community College clients, eight private sessions, and five sessions provided for a Council employee.

Gwydir Career Start Program

Council has recently placed an advertisement in the Gwydir News, and posted on Council's Facebook and Website pages inviting applications for school based and main-stream trainees and apprentices to commence in early 2021.

Gwydir Shire Council is pleased to offer enthusiastic and motivated individuals the opportunity to gain valuable work experience in paid employment while studying to obtain a nationally recognised qualification through the Gwydir Career Start Program.

Interested candidates are encouraged to obtain a position description and application form from Council's website: www.gwydirshire.com

The following positions are available and will commence in 2021:

School Based traineeships:

- SBT Gardener (Warialda)
- SBT Mechanic (Warialda)
- SBT Water & Sewerage Operator
- SBT Carpenter
- SBT Tourism Officer (Bing & Wlida)
- SBT Journalist
- SBT Information Services Officer

Apprenticeships:

- Apprentice Mechanic (Warialda)
- Apprentice Gardener (Bing & Wlida)

Applications close 4pm Friday 11th December 2020

Stewart Brown - Aged Care Financial Performance Survey

Naroo has recently participated in the Aged Care Financial Performance Survey. This incorporates detailed financial and supporting data from 1,108 Aged Care residences which includes Naroo and 46,938 home care packages across Australia. The survey is the largest benchmark in the Aged Care sector and provides invaluable insight into the trends and drivers of financial performance. The nationwide results for the last financial year 2019-2020 are now available, details in the link below:

Gwydir Shire Commonwealth Home Support Program (CHSP) Summary

Bingara

Volunteers for transport is becoming difficult with the loss of some volunteers and two going on leave at the end of November.

Meals on Wheels numbers are inconsistent. Currently there are 12 clients and volunteer drivers are back on a monthly roster.

Group support is still very active with clients enjoying morning tea and a light lunch, activities and laughs on a Tuesday.

Volunteers are still knitting squares which are taken to Inverell to be stitched into blankets. To date this year 175 blankets have been made and sent to Sydney for distribution to the needy.

Monthly outings have been on hold with Covid restrictions and will probably not resume until the new year.

Warialda / Delungra CHSP

Library children used the Day Centre in Warialda 2 days/week during the school holidays and were supervised by the Library Coordinator.

Day Centre numbers for attendance and transport for Warialda and Delungra were on average during September and October with clients enjoying the fortnightly trip to Inverell on the shopping bus.

Warialda Coordinator is delivering Meals on Wheels on average 5 days/month due to a shortage of volunteers.

ECONOMIC DEVELOPMENT, MARKETING and MEDIA

Priorities for Marketing	Actions
Review Vision, Values, Mission	Stakeholder engagement research. Create community ownership of values by including input in the new Community Strategic Plan process
External Communication	Build on the Gwydir Shire brand, grow and enhance stakeholder engagement by executing an integrated, values-based communication plan.

Marketing

Stakeholder Engagement

An initial review of survey data identified that many people were able to articulate what they believed Council’s (lived) Values to be, but very few could identify the stated values. Some of the lived values people identified included: Service, helping, listening, friendliness, training, and education. Informal

This is page number 35 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

dialogue with respondents often identified safety, friendliness, health, and our natural environment as things respondents valued most themselves. Further work is required to be definitive but initial indications are that stakeholders believe the Gwydir Shire is a place of friendliness, healthiness, natural beauty, and safety.

Communications Planning

The Engineering Services Manager and Town Utilities and Plant Manager have been trained in the use of SMS burst emergency messaging to update those community members with mobile phones regarding matters such as road closures, water restrictions or burst mains.

Tourism Collateral has been reviewed. While there are many good pieces of collateral, they lack cohesion and strong branding. Many are a little ‘dated’ and it is recommended that the full suite of collateral be redeveloped over the coming 12 months.

Community Strategic Plan

The above-mentioned stakeholder engagement themes should be further explored during community consultation in preparation for the new Community Strategic Plan - as shared community values are critical to securing engagement from a broad range of stakeholders as well as those from specific interest groups (who’s interest may or may not be representative of the broader community upon which successful implementation will depend).

Council Websites and Social Media

It is recommended that the first step in creating stronger cohesion between the Gwydir Shire Council website and the Tourism websites is to utilise a Tourism or Visitors tab on the Gwydir Shire Council Site with links to the existing tourism sites from that tab, and to build on this to create a greater synergy across all sites over time.

Process	Progress	Comment
<u>Planning and Design</u>	Website layout and concept were created by Open Cities (who specialise in Local Government Internet and Intranet sites).	Council design themes have been applied by Open Cities.

---	---

Go Local First

The Marketing and Economic Development Team completed a soft launch of the Go Local First Campaign during October (Small Business Month). The launch centred around a CBD walk around to local businesses in partnership with the Rural Small Business Counselling Service. The Warialda CBD was completed with strong interest from business houses, so much so that the

This is page number 37 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

Bingara leg of the launch had to be delayed while the Team ordered additional collateral for the business houses. Working with the Rural Financial Counselling Service NSW provided a good conversation starting point and high engagement from business owners.

Telephone and online Gwydir Economy survey

NPD Economic Development has been engaged to provide an independent high-level survey of the Gwydir economy. This will be delivered by telephone and online. It will aim to seek the input of local businesspeople about what they feel is going well, what is most challenging and ways we may grow the economy together.

Warialda Business Houses have been advised of the upcoming survey and asked to assist. The response to this invitation was very positive. Bingara Business Houses will be invited to participate when the postponed Go Local First soft launch is carried out.

Retail Makeover Grant Roll Out

All but one grant has been dispersed; the final dispersal is imminent and was delayed due to conflicting bank account information received from the recipient.

Morning Teas for the recipients in Bingara and Warialda were well attended and appreciated by the recipients. The program has brought increased levels of engagement with businesses which we should seek to leverage over the coming 12 months.

“Localised” Virtual support for local businesses

Council is awaiting a response from the State Government for a variation to Bushfire funding to underwrite this opportunity. (“Localised” is a virtual support program designed to increase digital literacy, increase profile of, and provide support and education to businesses across local government areas).

Marketing for Tourism and New Residents

As part of the variation to Bushfire funding Council has requested funds be used for a Shire Wide Marketing Campaign highlighting why people should visit, play, stay and relocate to the Gwydir Shire.

Sefton’s has been engaged to deliver a Workshop including Council and Local Community / Business representatives from which a high-level plan for the campaign will be developed. Implementing the plan will be dependent on approval of the Bushfire Variation application. Should this not be successful, alternative funds will need to be secured.

Visitor Centres/ Roxy Theatre Covid-19 Closures

Gwydir Shire Visitor Information Centres continue to operate as per Covid-19 plans and risk assessments.

The Roxy is likely to remain closed to large events for the remainder of the year due to the volatile nature of Covid-19 requirements and the long lead time that such events require.

The Roxy Café remains without a lessee, while staff are continuing to work with one of the previous two interested parties.

Services NSW

Both Warialda and Bingara had strong results in the first ¼ of the year with demand for the service being very high. Warialda delivered at 136% minimum transactions and Bingara at 105%. Both contracts have 12 months to run; the Marketing and Economic Development Manager has engaged the Department in exploring an increase to funding for the next contract.

Events

Christmas Carnivals in Warialda and Bingara are both moving to a “Market” model rather than a “carnival” model to avoid cancelling all together. Both groups are developing new event plans including the submission of Covid-19 Safe plans.

SOCIAL SERVICES – October 2020

Bingara Neighbourhood Centre

Funding body – NSW Dept of Communities and Justice

Bingara Neighbourhood Centre, in partnership with Bingara CWA and Ozharvest, is still distributing fresh fruit and vegetables as well as some grocery items to those in need from the Bingara Court House. The Ozharvest truck comes on a fortnightly basis and distributes one bag of groceries to those who attend. Over 100 bags of food were distributed at the last Ozharvest visit.

This is page number 43 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

Assistance with community group grant funding is still a priority for the Neighbourhood Centre.

Centrelink

Centrelink maintained normal operations throughout October, with social distancing guidelines allowing one person in the office at a time and with extra precautions in place. A hand sanitising station is placed out daily and customers are asked to sanitise before entering the building.

Youth Service

Funding body – NSW Dept of Communities and Justice

Youth Council

A Youth Council meeting was held on Wednesday 07 October via Zoom. Planning will continue for the upcoming Youth Week event, an online Trivia Night via Kahoot will be held on 21 November. Topics for ‘rounds’ are close to being completed by the Youth Council members. The next meeting is scheduled for Wednesday 11 October.

--	--------------------------------

Vacation Care was held during the first week of school holidays; two days at the Bingara Preschool and two days in Warialda at the Recreation Ground. Due to Covid-19, a combined program was not a consideration.

Activities provided throughout the program included sand art, giant noughts and crosses, pie face, musical mats, musical freeze, crocodile crocodile, bomb ball, silent ball, sonna macca dora, free colouring and drawing, and free play outside.

This program was focused on getting the children active with lots of physical activities and games planned.

Chairman

Monday 19 October - Preschool director visited Bingara Toy Library to give a presentation on Preschool readiness. This was an information session with handouts of enrolment packs and time for questions. Four families attended.

Tuesday 27 October - Rural Outreach visited to continue with the chat on the importance of fathers in a family and healthy relationships. Handouts were given to each family who attended. During the session, children enjoyed fresh watermelon as a treat for Children’s Week. Five mums and eight children attended.

Thursday 29 October – a speech pathologist from Hunter New England Health re-visited to cover language and literacy development. Due to Covid-19, many families missed out last term due to restrictions on attendance, so a second visit was planned to allow access to all families.

Kool Skool Kids group was asked for suggestions of activities this term. Staff hope to accommodate the many suggestions by breaking the afternoon into two parts, that being ‘inside time’ and ‘outside time’. Suggestions included general craft, water play, backyard play, board games, Christmas craft, Halloween craft, Lego, cars, army men, card games, and ball games.

The last week of October saw small occasions of celebration each session for Children’s Week. Fruit, party poppers, balloons, fresh watermelon, story by Sandy and bubbles just to name a few. Each day staff spoke about the importance of children and how they have rights.

During October, the Warialda Toy Library celebrated Grandparents Day, a Teddy Bears’ picnic, and water play day, and invited families along to join in a toddler tales experience with the Warialda librarian.

On Mondays, the Toy Library sets information to focus upon throughout the This is page number 47 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

remainder of that week. On Monday 12 October, information regarding 'why explore sensory play' was delivered to families. Monday 19 October was all about screen time for children and on Monday 26 October families were provided with information regarding the importance of dramatic play.

Throughout October the opportunity for children to engage in various sensory, craft, cooking, dramatic play, story and music and movement activities was made readily available.

On Thursday 01 October children participated in a cooking morning experience. Fruit kebabs were made using a variety of fruits and children were encouraged to try all the fruit on offer.

On Tuesday 13 October bubble wrap prints were available for the children to utilise as they explored sensory elements associated with this experience.

Numbers and counting were the focus of the morning session on Friday 16 October, promoting cognitive thinking and problem-solving skills.

Children engaged in maraca making, followed by a music and movement session on Thursday 22 October.

Cognition and problem- solving skills were again encouraged on Friday 23 October as children were encouraged to engage in a memory recall activity and sequencing games and puzzle morning.

Each Wednesday the toy library is closed to regular operation and the members of Playgroup NSW are supported at the CWA hall in Warialda. During October, a total of eight children and six families attended this playgroup (with a total of 22 points of contact being made). Halloween was the significant event for this group in October with their own Halloween party being organised, inviting all community families to participate.

Wednesday also ensures all administration and any required family outreach and or support is made available to families within the community. Any referral suggestions are made, and families are free to access support services through consultation with the supported playgroup development worker whenever necessary.

On Thursday 29 October, fine motor skills were exhausted as children participated in a cutting craft experience, followed by playdough creations.

As the end of year is fast approaching, preparations for festive celebrations are now underway.

Children’s Week - The theme for Children’s Week in 2020 was that children have the opportunity to attend Preschool and be happy when doing so. The theme also centers on children and their friendships. In line with the theme, Bingara Preschool celebrated ‘Children’s Week’ by conducting the following activities:

- the children made friendship bracelets and gave it to a friend
- each child painted their hand and then the educators made the hands into a ‘friendship flower’
- Bingara’s librarian visited and read some wonderful books to the children
- children dressed in pink and supported the fundraiser for ‘Bingara Community Comfort’. The Preschool raised \$107.
- children dressed in their favourite ‘Halloween’ costume and the educators planned the activities around this theme
- cooked and served the children’s favourite food, ‘pizza’.

Dressing up for Halloween

Friendship flower – Children’s Week at Bingara Preschool

Transition to School Program - during the month of October, the children have had two more transitional lessons in preparation for formal schooling in 2021. Bingara Central School’s Miss Schmidt visited the service for one of those lessons and the other lesson was conducted on the grounds of Bingara Central School. The children were very excited to walk down to the school and see the Kindergarten classroom, the playground and the canteen. Transition visits to Bingara Central School will continue in November

Liaising with Support Services - during the month of October, Bingara Preschool liaised with a variety of support services. ‘Pedal’ has worked closely with Bingara Preschool in creating the services profile for 2021. Brighter Access has made contact to discuss future transitional visits for the children who use Early Intervention. Bingara Central School’s Counsellor has worked with the staff at Bingara Preschool to create a funding application for a child who will be transitioning next year to formal schooling. Hunter New England Health’s local Speech Pathologist visited and conducted speech therapy for two children who attend Bingara Preschool.

This is page number 50 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

Tharawonga Mobile Resource Unit

Funding body – Australian Government Department of Education, Skills and Employment

The Tharawonga team has regrouped and is working strongly together. An Educational Leader has been appointed and this has been well received by staff. The Educational Leader will work closely with the Director, helping the team to collaboratively strive towards compliance through the assessment and rating process as the service comes into scope.

A site visit from IDFM (Inclusion Support) established that a Reconciliation Action Plan would support the Quality Improvement program through Innovative Solutions.

At each venue, children have been drawing and writing on Christmas cards to their friends to keep this fading Australian tradition alive. Children have been painting paper to cover children’s Christmas books. Each child has been allocated a book that is connected to their area of interest. Venue Christmas party dates have been set for early December.

Staff have been collecting cuttings from community member’s gardens to prepare Waterwise gardens as a Christmas gift for every family. The five communities have been asked to provide spare pots and cuttings from succulents. We now have plenty of pots set aside and staff are busy filling them and getting cuttings established before being distributed.

Staff have continued to complete children’s portfolios, transition statements and checklists. As school transition programs are limited this year (schools are not welcoming visitors) the transition statements will be providing information about children’s school readiness that would normally be assessed by kindergarten class teachers.

All communities have adapted well to Covid-19 restrictions and are compliant and understanding of the changes that have necessarily been made. For example: children hold their hand out to receive hand gel and then present their forehead for temperature testing before entering venues. Parents are agreeable to not entering venues and using separate pens to sign in, before placing used pens in a separate cup for cleansing. This system is working well.

Tharawonga families and staff have been busy raising money for Canteen for children with brain cancer.

Numbers at each center are as follows:

Tharawonga Numbers of Children in care during October 2020

Day	Venue	2-3yo	3-5yo	Transition to school	Total in Attendance
Monday	Yetman		6	2	6
Tuesday	North Star	1	12	2	14
Wednesday	Yallaroi	1	4	0	5
Thursday	North Star	1	10	2	11
Thursday	Gravesend	2	13	5	15
Friday	Gravesend	2	13	5	15
Friday	Crooble	0	7	2	7

Crooble

Along with the usual program which follows children’s areas of interest, several intentional teaching activities have been undertaken towards Christmas readiness. Children have made Christmas paper, written their Christmas cards and made a letterbox to post their cards as it will be impossible for them to have an excursion to a Post Office.

Checklists have been done for attending children and portfolios are almost complete. Intentional teaching has been directed towards the children who are leaving Tharawonga to begin school to ensure social, physical, and cognitive readiness.

Yetman

Families have supported Canteen for children with cancer by purchasing bandannas and pens for Bandanna Day. During Children’s Week, staff hosted Teddy Bears’ picnics and children have brought along their favourite teddies to participate. Children sat outside on picnic rugs and sang songs and read books about Teddy Bears.

The Yetman promotional day was cancelled due to restrictions on entering school grounds. Instead, each parent was phoned individually and spoken to about the future of the service remaining operational in the Yetman Public School grounds.

North Star

North Star residents have been relieved to have the border restrictions lifted and they are now able to operate within the ‘safe bubble’ and attend appointments, school, and work in southern Queensland. The Covid-19 hygiene and safety procedures adopted by Tharawonga should detect if anyone has a temperature, prior to entering the venues. Notes have been sent home asking parents to keep any child at home that shows any signs of illness that could be Covid-19 related.

The panels for the new fence around the Mary Makim Hall are now stored in the building. A collaborative partnership has been established between the Service and North Star School for both the perimeter fence and an internet booster. Tharawonga has sent a ‘letter of support’ for the North Star School

This is page number 52 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

for a grant application through Inland Rail for an internet booster which will extend from the school to the hall if successful. The lack of internet at the North Star venue is a major safety concern in case of an emergency and a solution must be found to improve communications when Tharawonga is in the area.

North Star children have participated in both Bandanna Day and the Teddy Bears’ picnic. Inclusion Support is awaiting endorsement from IDFM to assist with payment of an extra teacher for North Star.

Gravesend

The fence at the front of Gravesend Clubhouse and at the bottom of the concrete slab is complete except for a few adjustments required. Educators have expressed that safety has improved and supervision is simplified by the smaller area. Educators have also trialled having less activities simultaneously and this has calmed the whole atmosphere.

Families have continued to support Canteen and children’s brain cancer by purchasing bandannas and eye patches. During the Teddy Bears’ picnic some teddies were treated to wearing bandannas.

Nature has been the focus this month with Waterwise gardens and plans being discussed for development of a Reconciliation Plan.

GOVERNANCE

Declarations of Interest

There were Nil Declarations of Interest for the September Committee and Council meetings.

Community Services and Planning Committee Meeting held 08 October:

Crs J and D Coulton indicated that the applicant for Development Application 29/2020 listed in Item 1 on the Agenda is a relative.

Cr Galvin indicated that the applicant for Development Application 24/2020 listed in Item 1 on the Agenda is a relative.

Council Meeting held 29 October 2020:

Cr Egan declared a less than significant pecuniary interest in Item 4 ‘Gwydir River Foreshore Management Plan’ as a neighbouring property owner.

Councillors D and J Coulton declared a non-pecuniary interest in Item 2 ‘Recommendations from the Standing Committee Meetings’ due to a relative having a Development Application mentioned in a Committee Report.

Cr Moore declared a non-pecuniary interest as a member of the Warialda Rotary Club in Item 6 ‘Correspondence from Rotary Club of Warialda’.

COMMUNITY ASSETS – September / October report

Caravan Parks

Permanent residents of the Bingara Riverside Caravan Park have had their lease agreements updated, along with *Park Rules for Long-Term Residents* and *Site Condition Reports*.

The caravan parks have seen a steady influx of visitors from across the state.

Both parks continue to operate in accordance with Council’s Covid-19 safe plans.

New kitchen items have been purchased for the Bingara Caravan Park’s cabins.

Swimming Pools

This is page number 54 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

Bingara Pool

During the reporting period the following work was undertaken at the Bingara Pool:

- High resolution digital scans of artwork have been completed
- Shade sails installed over the splash program pool
- Concrete concourses, form work and pour completed
- Tiling of the 25 metre pool completed
- Slabs for Activities Centre poured
- Construction of new pump and plant rooms
- Demolition of existing skillion and amenities block privacy screens
- Turf laid and informal landscaped area completed
- New Spanline cover installed.

Tiling in progress

New activities centre taking shape

New shade sails installed

New turfed lawn areas

New turf

Spanline skillion

Warialda Pool

Renovations of the amenities block at the Warialda Swimming Pool have been completed. Works included hot water installation, construction of two new all access amenity areas, installation of new partitions, installation of new toilets and sinks, installation of new guttering in the female internal amenity area, floor tiling, painting, installation of benches, and replacement of external stormwater and sewage systems.

The pool opened on Saturday 24 October, a little later than normal due to the extended renovation works.

Cranky Rock

Cranky Rock continues to attract many visitors from New South Wales.

Barbeques and picnic settings from the Bingara Swimming Pool have been re-homed at Cranky Rock.

Gwydir Libraries successfully gained \$2,000.00 funding from Good Things Foundation for Get Online Week which is part of the Be Connected Internet tutorials for senior’s program. The money will assist with hosting programs, and the purchase of iPads for use across the entire shire.

Council’s Cleaning Contract

Following a four week trial, Bingara and Warialda CHSP staff commenced cleaning their own workspaces.

Onescope terminated the contract with Gwydir Shire Council effective 15 November 2020. Council is now employing casual staff and advertising for cleaners and caravan park staff.

Property Management

Residents of Plunkett Street and Holden Street units in Warialda have had their lease agreements renewed.

Unit 7/ 40 Plunkett Street Unit is currently occupied by a Council officer from 3 October 2020.

During the reporting period, tenants vacated 113 Long Street, Warialda.

Myall Creek Site Management

A native garden has been planted by members of the Friends of Myall Creek committee on 17 September. This also included the installation of plant identification signage.

The bollards, which form a vehicle barrier to the site, have been painted with linseed oil.

Gyms

Council gyms were re-opened on 23 October in accordance with NSW Government guidelines.

CONSULTATION

Consultation has occurred within the Organisation and Community Services directorate.

This is page number 57 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

POLICY IMPLICATIONS

Policy implications are those relating to the 2020/2021 Operational Plan and the Policies of Gwydir Shire Council.

FINANCIAL, ECONOMIC and RESOURCE IMPLICATIONS (including Asset Management)

The activities carried out by the Organisation and Community Services Department are in line with the 2020/2021 Operational Plan.

SUSTAINABILITY IMPLICATIONS (Social and Environment)

The activities undertaken by the Organisation and Community Services Department regarding social and environmental factors are targeted in line with the 2020/2021 Operational Plan.

OFFICER RECOMMENDATION

THAT the monthly Organisation and Community Services report for October be received

AUTHOR Manager, Engineering Services

IN BRIEF/ SUMMARY RECOMMENDATION

The monthly Engineering Services report has been identified by Council as the process of reporting the activities carried out monthly by the Engineering Department which includes Engineering and Design and Assets sections.

COMMENT

Engineering Services

North Star Road – Flaggy

Construction is complete at the Flaggy segment of North Star Road with sealing taking place in October. The project was 9.1km to 11km from Warialda Road. Works included raising existing pipe culvert headwalls and the upgrade of existing 450mm pipe culverts to 600mm. The basalt clay subgrade was lime stabilised and manufactured DGB20 gravel used for the base and subbase. The project took approximately 12 weeks and was delivered under budget using funds from the Transport for NSW (TfNSW) Repair Program and Block Grant.

North Star Road – Flaggy, Construction

Gravel Resheeting.

SR014 Mosquito Creek Road

Work was carried out on a 4.8km section approximately 25km from Stephen Street.

A number of pipe culverts were extended while staff were in the area and the road maintenance graded where required.

SR14 Mosquito Creek Road, Gravel Resheeting

SR16 Trevallyn Road

Gravel resheeting of two sections on SR16 Trevallyn Rd, 1.8km and 2.4km long were completed during October. The works had been scheduled for earlier in 2020, but were delayed due to wet weather.

SR16 Trevallyn Road, Gravel Resheeting

This is page number 64 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

As well as the above resheeting works, staff have also carried out repairs on SR17 Back Creek Rd, SR38 Adams Scrub Rd, SR57 Currangandi Rd, and SR115 Riverstone Rd to improve all-weather access.

SR17 Back Creek Road

SR38 Adam Scrub Road

This is page number 65 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

SR57 Currangandi Road

SR115 Riverstone Road

SR31 Eulourie Road

Work was also carried out on the northern approach to the Horton River Crossing on SR31 Eulourie Rd at 'Eulourie'. This involved shape correction and widening due to the increasing number of heavy vehicles losing traction and becoming stuck upon exiting the causeway.

SR31 Eulourie Road

This is page number 66 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

The Living Classroom

Work is on hold at The Living Classroom (Cattle Club Work) until after the Bingara Pool is completed.

MR63 Segment 5255 'Beaufort'

Works are now fully completed on the MR63 'Beaufort' project, with a final 14mm bitumen reseal programmed for next season. These works were funded by TfNSW through the RMCC contract.

MR63 'Beaufort' Construction

Construction

2 Mile Hill and Delungra Road

Earthworks and bitumen sealing are now complete for the two Big River Dreaming rest stops at the 2 Mile Hill (intersection of Delungra Road and Allan Cunningham Road) and Sheep Station Creek (intersection of Delungra Road and Sheep Station Creek Road). These rest stop areas are funded through Restart NSW and will form part of the Big River Dreaming – Water Weaving Way Project.

Sheepstation Creek Road site

2 Mile Hill site

HW12 Segment 8270

'Moree LGA BDY' – Work crews have now started rehabilitating segment 8270 on the Gwydir Highway, west of Gravesend. These works will involve shoulder widening, incorporating additional material with existing, and placing a 150mm overlay with a 7mm primer seal wearing surface. This project is expected to take 6 weeks to complete, is programmed to have a seal before Christmas and line marking finalised in January. These works are funded by TfNSW through the RMCC contract

SR257 Kirkton Road

Works have been completed on Kirkton Road to remove a causeway and install a triple cell 600 pipe culvert.

New culvert on SR257 Kirkton Road

This is page number 68 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

Maintenance

Staff have been working on vegetation control during October. Weed spraying and sucker bashing has been undertaken on the following roads: SR18 Gineroi Rd, SR19 Whitlow Rd, SR12 Upper Whitlow Rd, SR23 Wearnes Rd, SR3 Elcombe Rd, SR66 Reserve Creek Rd, MR63 Cobbadah Rd, MR133 Killarney Gap Rd, MR132 McIntyre Rd and MR134 Delungra Rd.

Footpath maintenance

Southern construction staff have addressed trip hazards in Cunningham Street and Maitland Street by re-laying uneven pavers and grinding concrete lips where appropriate. These works will continue throughout the year.

Signs to indicate 'No truck parking overnight' have been installed in Cunningham Street Bingara, between Junction Street and Memorial Avenue. Spraying has been undertaken along northern regional roads and guidepost maintenance on both regional and shire roads. Whipper snipping has been conducted at rest areas. Staff have pushed up the tips at Warialda Rail and Gravesend and undertaken general street maintenance. In addition, optic fiber has been laid along the Warialda bypass and trees planted around the truck wash.

Maintenance Grading

Grading has been carried out on SR16 Trevallyn Rd, SR57 Currangandi Rd, SR45 Bereen Rd, SR11 Horton Rd, SR50 Thornleigh Rd, SR115 Riverstone Rd, SR034 River Rd, SR257 Kirkton Rd and SR014 Mosquito Creek Rd.

Seal Maintenance

Seal maintenance is ongoing on all state, regional and local roads.

Slashing

Roadside slashing was carried out on the following roads during October:

MR134 Delungra Rd, SR18 Gineroi Rd, SR22 Upper Bingara Rd, SR15 Gulf Creek Rd, MR132 McIntyre Rd, SR19 Whitlow Rd, Bingara Airstrip, MR63 Allan Cunningham Rd / Cobbadah Rd, SR3 Elcombe Rd, SR1 Copeton Dam Rd, SR2 Bundarra Rd, RR7705 North Star Rd and SR63 Gil Gil Creek Rd.

Design and Assets

Bingara Pool – Entrance

This project is the entry way into the new kiosk for the Bingara Pool. The new entrance will be 1.8m wide and will be constructed to all accessible standards. The earthworks have commenced, with concrete booked in for the second week in November.

Inland Rail – North Star to the QLD Border

The Engineering Services team has provided feedback on the Environmental Impact Statement for the North Star to Border project on the NSW Major Projects Portal. The team has also been in constant contact with the Narrabri to North Star team about construction and any other issues that could arise from this section, where construction is scheduled to commence in early 2021

This is page number 69 of the minutes of the Ordinary Meeting held on Thursday 26 November 2020

Chairman

Delungra Road

Survey has been commenced for the rehabilitation of an 800m segment of Delungra Road. The segment is a missing link between two recently completed rehabilitations near Gwydir/Inverell LGA boundary and is intended to be funded through the TfNSW Block Grant.

Keera Street Footpath

Survey has been commenced for investigation into a footpath linking Keera Street and Junction Street to Finch Street, Bingara. Preconstruction investigation and design is expected to be finalised by January 2021.

Roads Maintenance Council Contract (RMCC) – Work Orders issued by TfNSW

All Work Orders issued by TfNSW are quality assurance schedule of rates projects carried out by Council staff under the Roads Maintenance Council Contract with TfNSW.

Design drawings for segment 8270 on HW12 Gwydir Highway have now been approved by TfNSW and are in the signoff stage. A Works Proposal and documentation will now be processed and submitted for approval to TfNSW, with works scheduled to start in the next two weeks. Design drawings for segment 5150 on MR63 Fossickers Way are still being reviewed by TfNSW with works around two large box culverts within the segment currently holding up the approval. Segment 5255 Beaufort Rehabilitation works are now completed, with crews currently shifting gear to prepare for the next rehabilitation project on HW12 Gwydir Highway. The additional safety upgrade project on the Gwydir Highway, segment 8265, is still currently in the design stage, with TfNSW reviewing the concept design. This financial year will see Council’s usual RMCC maintenance program completed throughout the year, the resealing of approximately 13 segments throughout the Shire and approximately 4 weeks of heavy patching and a further 4 weeks of reseal preparation. This will all be in addition to the previously mentioned rehabilitation projects throughout MR63 Fossickers Way and HW12 Gwydir Highway. 50% of the resealing program is likely to be completed before Christmas, with a contractor now chosen, while heavy patching is yet to be scoped out and is likely to be undertaken early next year.

Routine maintenance continues each week undertaking inspections, rest area services, vegetation control and bitumen repairs.

CONCLUSION

The activities carried out by the Engineering Department are in line with the 2020/21 Management Plan and otherwise directed.

CONSULTATION

Consultation is carried out within the Technical Services Department during the monthly Technical Services team meetings and other relevant persons.

OFFICER RECOMMENDATION

DELIVERY PROGRAM

GOAL: 1. A healthy and cohesive community

OUTCOME: 5.1 CORPORATE MANAGEMENT

STRATEGY: 5.1.3 Administrative functions - GM - internal

AUTHOR General Manager

STAFF DISCLOSURE OF INTEREST Nil

BACKGROUND

Council has received correspondence from a new group seeking to become a part of the existing s355 Committee of the Bingara Showground Advisory group.

COMMENT

The existing Bingara Showground Advisory group consists of members from the user groups of the Bingara showground, being the Bingara Show Society, Bingara Pony Club, Bingara Jockey Club and Bingara Polocrosse.

The Bingara Campdraft Committee will be an incorporated group registered with Fair Trading and would be considered an asset to the existing Advisory Group and Bingara township. They would aim to run at least one campdraft or more per year and hold training days on the Bingara Showground. Campdrafts are an extremely popular horse discipline and are always well patronised; one could reasonably expect an influx of competitors and visitors to the township during the scheduled events.

OFFICER RECOMMENDATION

THAT the report be received

FURTHER that the Bingara Campdraft Committee be accepted as part of the s355 Bingara Showground Advisory group

Subject: **Bingara Campdraft committee**

Morning Robyn,

As discussed there are a number of locals that are interested in getting together to form a Campdraft committee in Bingara, the aim of the committee would be to run annual Campdraft competitions along with training days for anyone interested in Campdrafting. The committee was hoping to become a user group of the Bingara Showgrounds to use the facility and help where possible.

Regards
Chris Beard
