IN BRIEF/SUMMARY RECOMMENDATION

This report recommends the adoption of the draft meeting cycle for 2022/23 up to the September 2023 Council Ordinary Meeting.

BACKGROUND

The following arrangements exist at present in respect of the Council's meeting cycle:

- The Ordinary Council meetings are scheduled for the last Thursday of each month, usually commencing at 9am, unless there is a conflict with other events.
- The Standing Committee meetings are scheduled for the second Thursday of each month, if required, and usually commence at 9am.

The Business Papers and summons for the Ordinary Council and Committee Meetings are issued electronically no later than the close of business on the Friday prior to the meetings. Any Councillor may request a hard copy of the Business Paper.

It has been the practice to alternate the meeting venues monthly between Warialda and Bingara. The social distancing rules and Covid restrictions meant meetings were mostly held at the Roxy Meeting Room in Bingara. Also, the planned renovations at the Warialda Council Chambers restricted its use even after the Covid restrictions were removed.

The draft suggested meeting cycle is attached, which returns the Council to alternate meeting locations.

OFFICER RECOMMENDATION

THAT the draft Meeting Cycle is adopted and advertised.

IN BRIEF/SUMMARY RECOMMENDATION

Review of Cemeteries Policy

Updating Cemeteries Fees and Charges

Agreement to pay by arrangement specifically for cemetery plots

TABLED ITEMS Nil

BACKGROUND

Council operates two active cemeteries at Warialda and Bingara. The council's cemetery policy review has updated the prior policy which was very brief and did not provide policy direction for a number of foreseeable issues likely to arise from time to time with the cemetery operations. The reviewed policy will ensure the Bingara and Warialda Cemetery operations are effectively captured by policy direction.

As part of the review process some fees and charges were identified that would benefit from consolidation; so there is generally one total charge rather than a base charge and multiple additional charges. The proposed changes seek to eliminate any undercharging error. Having one fee will provide clarity and simplify the process for customers and administrators. The changes also include a fee adjustment to reduce disparity of cost for equivalent items.

In consultation with the finance department a cemeteries specific version of an 'Agreement To Pay By Arrangement' has been drafted and included for your information.

COMMENT

The draft policy is attached.

Commentary on the highlighted areas in the attached fees and charges extract.

Plot Purchase: Removal of different fees for old section and lawn section replaced with one fee covering both.

Plot Purchase Extra Depth: Removal of different fees for extra depth in old section and lawn section replaced with one fee covering both.

Interment Extra Depth/Weekdays/Weekends & Public Holidays: Rather than an additional charge being levied along with the Weekdays/Weekends & Public Holidays charges the proposed changes consolidate the fee each option into one fee only.

Columbarium Niche: change wording from 'Inurnment' to 'Interment'

Cemeteries Other: Change fee from \$95 to \$87 for permission to add name. The proposed change is to have the adding of a name to be equivalent to the cost of the initial permission.

OFFICER RECOMMENDATION

THAT the policy be adopted.

FURTHER that the changes to the fees and charges be adopted.

THAT the *Agreement to pay by Arrangement* be noted.
