

The Waste Hotline is ideal for:

- reporting missed services
- collection day enquiries
- general enquiries
- order free replacement compost bags for kitchen caddys.

You can use the Gwydir Waste app or the Council's Website to:

- look up your collection days for recycling, organics, waste
- learn more about your collection services
- learn about other resource recovery and waste disposal options available in your area
- request repairs or replacement bins
- check service fees and charges
- find out about upcoming events.
