

Statement of Environmental Effects

LEGISLATION

In accordance with Schedule 1 of the Environmental Planning and Assessment Regulations 2000 a development application must be accompanied by a Statement of Environmental Effects (except for designated development which is accompanied by an Environmental Impact Statement).

QUALIFIER

This Statement of Environmental Effects Template has been produced to assist applicants identify the environmental impacts of a development and the steps to be taken to protect the environment or lessen the expected harm. The template is suitable for minor impact development such as dwellings, alteration & additions, outbuildings, small scale commercial & industrial development and minor subdivisions. It may be necessary for Council to request additional information depending on the nature and impacts of a proposal and the completeness of the document. Larger scale developments should be accompanied by a detailed and specific Statement of Environmental Effects.

You must answer each question and provide reasons and/or details for your answer.
